

October 2010

Dear *Jeffrey*

His dream still unites us.

Armed with an improbable dream and a lofty goal to raise \$1 million for cancer research, in April, 1980 Terry Fox began his remarkable journey to run across Canada. Along the way, Terry Fox captured the hearts and minds of a nation, and forged a legacy that has stood the test of time. Terry's indomitable spirit and relentless efforts lit a beacon of hope in cancer wards that summer - a beacon that continues to burn today because of your involvement.

At the core of Terry's inspirational story is the belief that one person can truly make a difference. Terry's legacy inspires people of all generations and backgrounds, of every race and creed. The incredible outpouring of support for the 30th annual Terry Fox Run in Ontario is evidence of this fact. Ontario Terry Foxers will raise an astounding **\$14 million** for cancer research this year, an increase of **20%** over 2009. The 30th anniversary of Terry's *Marathon of Hope* has re-affirmed the timelessness of Terry's message and the power of his vision.

We thank you for your efforts to inspire your group this year, and for making this Run a day of wonderful hope and inspiration. Your contribution leaves us humbled and so very grateful for the faith you show in the Foundation.

Thank you for contributing so magnificently to the cause, and for having faith in the cures to come. It is an honour to count you as a special supporter of Terry's dream.

With best regards,

Bruna
