Wah Yan College, Kowloon Past Students' Association

Do you remember?! During recess, lunch time and after school, we ran and played on the grass football pitch of our School, where we breathed and enjoyed the freedom offered by of our alma mater. Whatever we did there, our grass football pitch gave us a lot of memories. It was a part of our school life.

Our School has been doing its best in preserving the grass pitch for our students over the years. Unfortunately, since the last decade, the condition of the grass football pitch has deteriorated. Recently, a group of dedicated alumni has gathered input from our schoolmates and proposed an idea on the redevelopment of the sports facilities in WYK. Their vision is to redevelop the sports facilities in WYK. As the first step, they wish to renovate the grass football pitch by 2014.

For more details about the redevelopment project, please refer to their feasibility report at http://www.wykpsa.org.hk/wp-content/uploads/2013/05/WYK_football_field_project.pdf

WYKPSA had dinner with Mr. Warren Chung, the principal designate, on 9 May 2013.
