Dear Raymond,

We would to express our sincere condolences on the recent passing of your dad.

We have lost a great man as well as a good friend of us who always gave us his piece of valuable guidance and advise during his time with us especially on our new plant expansion.

He was such a perfectionist with very high expectation in everything he does. You were truly fortunate to have a man such as your father in your life.

We truly know what you and your family are going through. No comfort is quiet enough to replace the loss.

Please help to send our best regards to your mum and sister, Sabrina and feel free to contact us if you require any assistance in Singapore.

Take good care.

Best Regards.

Dear Raymond,

I am glad to know your dad. Though he was my boss for several years, we were more like friends – work and play hard. We learned a lot from him. I think he did well even to his last days.

We will always remember him as a friend and mentor.

I am glad to get to know you and Sabrina as well.

May our gracious God be with all of you.

Blessings.

Dear Raymond,

I flied out from Narita on 26th and am in Mumbai. Then sorry for delay in opening your mail.

I surprised to know because I had sent e-mail to Patrick in this February 26 and he had replied on 27th.

In that mail, he described his condition. However I did not imagine the back ground that actually his condition might be worse.....

In his mail, love to you and your sister is comes out in between the sentence although he might be too great father for you.

Hope you and your family keep his good relationship in Japan.

By the way, could you tell me the address and phone number of your home in Singapore?

I try to ask my colleague in Singapore to send flower.

Sincerely yours,

Hello Raymond

Soon Hoo & I were out of Sin. last week. We called yr Dad's phone on Sun. 19th. to ask if he felt well enough to have dinner with us as we have not seen him since our lunch with you.

Eventually we managed to get thru to yr Mon's HP. She said she was in GH as yr Dad had been re - admitted. Said they were thinking of moving him to Mt. E. hospital. Told us not to come - that he was not up to having visitors just yet.

Voo called on Fri/Sat to inform us of yr Dad's passing away.

Yr Dad had built up a network of good friends in Sin. We remember the days we travelled together and the various places we visited (esp. the golf courses) and the great meals and happy times we shared. Yr Mom too has many friends here. We want to offer whatever assistance we can or even just to hold her hand

Every Chinese New Year, they used to join our family reunion dinner so we consider yr family as more than friends so any time you are in Sin., we would love to meet up.

Gloria & Soon Hoo
