# Friendly Football Match

On 14<sup>th</sup> December, a whole-day Interschool Alumni Friendly Football Tournament was held in our new grass pitch. Teams of old boys from Diocesan Boys' School, La Salle College and St. Louis School were invited to take part in this tournament together with a team of WYK alumni.

Marathon 2015 is going to be held on 25<sup>th</sup> January. Over the years, our Marathon team has raised over \$6 million to support sports development of the 2 Wah Yans so as to support professional training provisions to help students pursue new heights in various sports. However, under the effect of limited quota provided by the Organizer, fewer runners were allowed to participate in our team and hence only a total of \$0.1 million has been raised, comparing to the amount of \$1 million each year in the past. It is a difficult task, yet it would be supportive if you can support our Wah Yans' sports development by making donations. The fund raised in this event will be shared equally by the two Wah Yans and contribute entirely and solely to sports developments. The generous support from alumni will mean a lot to our future leaders.

The 2<sup>nd</sup> training clinic will be held in Wah Yan College, Kowloon at 1pm on 17<sup>th</sup> January. It is open for all members of Wah Yan. You can also visit us at <http://www.wahyanonefamily.org/marathon-2015.html> or call our team managers Enoch Cheung on 6907 8414 or Victor Ho on 6192 8522 to learn more.

Our young Wahyanites are running "For and With Others".

Let's run together with them!
