Hin-Shing: Recently I found in the wykontario.org website that someone had written a tribute to my good friend 吳茂生. It was not anybody of class of 66.

Anyway I am happy to see the tribute because 吳茂生 was really a good man. We were in the same class all the way to Form 5. After that he went on to Lower and Upper 6. I did not.

The last time I saw 吳茂生 was 40 years ago in 1975. We and a few other classmates got together and we took some photos - one photo I am still keeping. (See attached)

Fong-ying: First I would like to say thank you for a tribute well written because 吳茂生 deserves every bit of it. 吳茂生, Luke 雲漢桑 and I were pretty close through the years at WYK. I guess it is because of our personality and temperament. We were quiet and mind our business type. However 吳茂生 was more zealous and enthusiastic about life. For many years he served as an altar boy and to the Father(s) at that time 吳茂生 was their favorite student.

If I can add to the tribute I would say 吳茂生 was a solid and humble man. At the gathering in 1975 never once he spoke about his scholastic achievement or showed his status as an achieved scholar. In 1994 the year 吳茂生 passed away I was in Hong Kong and when Luke 雲漢桑 told me the bad news, we knew we had lost a great friend.
