Dear

Jeffrey,

***"You have not lived today until you have done something
for someone who can never repay you." John Bunyan***

Another Terry Fox Run is in the books! On Sunday September 16, thousands of people laced up across Ontario to support Terry's legacy. We are so proud to share with you that **1,800 teams** participated at 200 Run sites and contributed a phenomenal **\$2.3 million** to the **\$13.5 million** raised in Ontario.

Terry believed every person could make a difference if they tried, and the leadership you showed this year deserves special recognition. Your efforts make a difference in the fight against cancer: from proudly sharing Terry's message of hope, to assisting your teammates' fundraising efforts, to cheering them on as they worked towards achieving their goals. Thank you for going the extra mile in 2018, and for being an inspiration to so many.

Today more than ever, lives are transformed as patients hear the words "We can treat your cancer successfully." We can never truly express the depth of our gratitude to you and your team for giving others the most precious gift of all - hope.

With sincere appreciation,

Bruna, Steven, Rachel and Kathryn
