

## WYK Form Master/Mistress Locator (1952-1970)

Can you answer these questions?

1. Who was your form-master/mistress when you were in Form 3?
2. In which classes/forms was Fr Mallin the form-master during the period you were studying at WYK?

The spreadsheet ([click here](#) to download) may help jog your memory.

The spreadsheet is divided into 4 main sections:

1. Input (lines 7 to 11)
  - a. quick view:
    - (1) Cell B7: class year (e.g, "60" for the class year "59-60")
    - (2) Cell B8 (2 characters only): class/form (e.g., "P6" or "F4")
  - b. Cell B11: first 2 or 3 characters of the last name of the Father/teacher  
The two types of inputs (a) and (b) are independent of each other. You can key in either (a) or (b) or both.

Note: You can key in either small or capital letters for input.

2. Quick view (lines 14 to 102)

Shows that for a particular class year and a particular class/form, who the form-masters/mistresses were (in red).

For example, in 57-58, these Fathers/teachers were form-masters:

F3C (Fr Chan) (Cell J19)  
F3D (Fr Mallin) (Cell J42)  
F3A (Fr Sullivan) (Cell J55)  
F3B (Mr Pun) (Cell J90)

3. Full database (lines 104 to 193)

Column C: Name of Father/teacher

Columns E-V: different class years and related classes

Column D: result of input Cell B11 - list of Fathers/teachers having the first 2 or 3 characters as their last name (in red)

For example, if you key in "CHE" (either small or capital letters), Column D (starting from line 107) will show:

Mr. Chen, John (Cell D156)

Mr. Cheng, Yuen-Chia (Cell D157)

4. Class names (lines 197 to 209)

In the years after our graduation, there were a few changes in classes/forms.

For example, in 65-66, in addition to the normal F5A-F5B, there was an additional form - F5A Arts.
