## The President Speaks

Our Chapter has a relatively calm 2009~2010 session. We did not face the same challenges like the “Cradle Exhibit” or the anniversary celebrations as in the year before. Yet there were milestones we covered through their simplicities.

Our [website](#) achieved the record count of passing 100,000 monthly hits. This did not happen singularly. There are continuous contributions of articles to our site, which has gained in variety and multiple interests. This is certainly exciting as we see our belief bearing results. We knew website is the future of communications. Our directors worked on this concept and produced videos and pictures for general viewing and all these were received most positively. There were articles on travel, poetry, opera, while we maintain our reports on our mother school and keeping up with its news. We are proud to be able to provide all these for our members.

Our website received the “Best Website” Award at the 2010 Wah Yan International Conference in Los Angeles. In this connection, our member Peter Au Wai-lam (1966) narrated the English edition of our DVD production of the history of WYK, “Moments in Time” that was presented to the audience during IC 2010.

Our alumnus, the Honourable Philip Lee (1960), appointed Lieutenant Governor of Manitoba in 2009, got to meet with the Queen during her Canadian Royal Visit in June and we were honoured by Philip's presence at our August Board meeting to celebrate the 75<sup>th</sup> birthday of Mr. Anthony Ho.

We carry on with the usual events and functions of the year and we brought back the summer picnic to the joy and cheer of everyone.

It is with high spirit that we look forward for new challenges in the coming year. Most importantly, we want to communicate with our members. So drop us a line and keep us informed.

I take this opportunity in thanking all the Board members for making my job easy and fun.

David

## Recent Happenings

### Our Award Winning Website – Jeff Mah-Webmaster

The WYKAAO website has gone through a number of enhancements in the last couple of years. Besides our main website ([wykontario.org](http://wykontario.org)), there are secondary sites dedicated to pictures, videos, a forum and a blog respectively. We also have a presence in Facebook. All these sites can be navigated from the main website. Please drop by and visit our sites often as we will rely more and more on using electronic means (such as websites, e-mails, electronic newsletter etc.) for communication. Please also let us know if you have changed your e-mail address; we would like to make sure you receive our periodic news updates without any problem.

There are many interesting articles posted on our blog by our members. The topics include poem translations, wine and dining, travelogues and commentaries on current affairs. There is even a Q & A section on health related issues, which allows our members to submit their very own questions, anonymously if desired

WYKAAO received the Best Website Award in the recent Los Angeles Wah Yan International Conference 2010. We welcome your precious feedback and suggestions so that we can continue to improve our sites, which in turn better, serve our members and the organisation. Thank you for your support!

### Terry Fox Run

WYKAAO once again participated in the annual Terry Fox Run; this year marked the 30<sup>th</sup> anniversary of the event. The weather was one of the best in recent years for the walk/run. After a brief introduction by the event organiser and speeches from the dignitaries, we were off for a refreshing morning walking exercise. Starting from the Old Unionville Library, we strolled along a route that is mixed with park areas, boardwalks and natural habitats. Thanks to our 60 generous supporters, the WYKAAO team has raised over \$4,900 this year for the great cause!

### From the Middle East

One of our Directors, Eric Li (1995), has accepted an academic position in Doha, Qatar. We congratulate Eric and Irene for the new arrival to their family; baby Emma was born on 25<sup>th</sup> September and wish Eric every success in his future endeavours. Eric is our official correspondent and will keep us posted on news, developments and his adventures in the Middle East.

### Lunch with the Lieutenant Governor

Twenty members from WYKAAO/WYCHKOOA and guests attended a lunch with the Honourable Philip Lee (WYK60), Lieutenant Governor of Manitoba, at a Richmond Hill restaurant on the 4<sup>th</sup> October. While enjoying a delicious dim-sum lunch, Philip looked back at his days in Wah Yan College, telling a few stories

with his usual humorous notes. He also gave a glimpse of life in the first year as the Lieutenant Governor. Pictures of the inauguration ceremony and the recent visit of the Queen were shared among the guests.

## Dinner for Fr. Sean Coghlan, S.J.

On a warm Friday night in October, about 30 alumni, guests and former staff of WYK and WYCHK attended a dinner with Fr. Coghlan who was visiting Toronto. Our beloved Father showed his usual charm and warmth by greeting everyone personally throughout the dinner. He joked that he recognized most attendants' faces and names but not necessarily associating them. It was a long and enjoyable gathering that certainly brought back a lot of memories of days in Wah Yan. We wish Fr. Coghlan all the best and hope he will visit us again soon!

### Happy Corner

recent weddings of Raymond Kwong (1966) for the marriage of his son; Victor Tong (1968) for the marriage of his daughter. Our best wishes to the new couples!
